Black Youth Empowerment for Social Inclusion and Mental Well-being

Mental Health Resources and Support in BC

.....Belong. Be Well. Become

"It's okay to ask for help. You are not alone"

"Sometimes I wish I didn't have dark skin or an accent. I feel like I have to change who I am just to fit in."

What is **Mental Health**

Mental health is the state of psychological and emotional well-being that enables people;

- **Handle stress**
- **Learn and Grow**
- **Build & Handle Relationships**

youth experience a mental illness by age 25, in Canada

Common **Mental Health Concerns** (Black Youth)

Anxiety

Anxiety is when you feel nervous, tense, or worried- sometimes about real things, and sometimes about things your mind just thinks might happen

Depression

Depression is when you feel sad, empty, or lose interest in things you used to enjoy - and those feelings don't go away for a long time

Post-traumatic stress disorder (PTSD)

PTSD can happen after going through or seeing something really scary or overwhelming. It can leave you feeling on edge, unsafe, or easily triggered by reminders of what happened

Other Challenges Include;

Attention-Deficit/Hyperactivity Disorder (ADHD); Autism Spectrum Disorder (ASD), and Eating Disorders

"I want help, but I honestly don't even know where to go. No one talks about where Black youth can get support."
